DETAILED ACTION

Allowable Subject Matter

1. Claims 5-8, 10-13 and 15-17 are allowed over the prior art of record.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

While the closest prior art of record teaches (Sato) teaches a similar touch panels, comprising a first light and second light transmitting films and a bond layer made of a rubber base adhesive (rubber elastic layer adhesive), none of the prior art of record teaches the claimed transparent touch panels having adhesive layer between and attaching the first and second light transmitting films layer, wherein the adhesive layer is silicon rubber elastic adhesive having: *a hardness in a range of 10-70 on measurement scale A of Rockwell hardness test in Japanese Industrial Standards, a compressive permanent distortion factor of no more than 50 % under measurement conditions of 70OC and 22 hours of B method in American Society for Testing and Materials, a total light transmittance of at least 90%, and a thickness of at least 5 μ m.* While silicon based rubber adhesives are known in the art to bond similar transmitting films, none of the prior art of record teaches or provide any motivation for selecting/or using a silicon based rubber elastic adhesive meeting the claimed characteristics.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 1775

Conclusion

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen Stein whose telephone number is 571-272-1544. The examiner can normally be reached on Monday through Friday from 8:30 a.m. to 5:00 p.m. If the attempts to reach the examiner are unsuccessful, the examiner's supervisor, Deborah Jones can be reached by dialing 571-272-1535. The official fax number is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
